

Paper Puppy

Here's a quick and easy way to make a paper puppy- great for a rainy day! All you need is a piece of paper and some coloured pens!

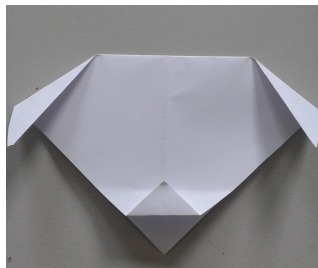

1.
Fold a square piece of paper into quarters.

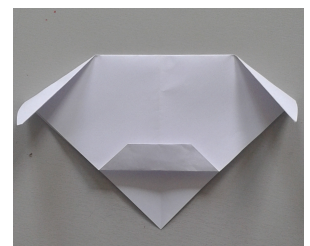

2.
Fold down the top half of the paper and then fold down both corners for ears.

3.
Peel back the corner at the bottom of the paper.

4.
Fold back the triangle again into a straight line to make the mouth.

5. Then finally, decorate your puppy however you want!
