

SUMMER STORY BOX

Here's how to create your own beach scene using a cardboard box, paint, card, straws, pipe cleaners, glue and sellotape.

- 1.) Cut out one side of a cardboard box and two slits on the roof of the box.
- 2.) Paint your beach box and leave to dry.
- 3.) Time to make your decorations: For a palm tree, cut up 2 x green straws for leaves and sellotape them on a brown straw for the tree trunk.
- 4.) Scrunch up bits of white paper for shells.
- 5.) Draw a circle on cardboard for the sun and scatter pipe cleaners on its' edge.
- 6.) Draw your dolls and surf boards on cardboard then cut them out.
- 7.) Attach each doll to a piece of string.
- 8.) Tie the piece of string around the bar at the top of the box. You should now be able to slide your dolls around the box.
- 9.) Finally, add in the rest of your decorations and you're all ready for a day at the beach!
