

Crumbling Sensory Dough!

This Crumbling Sensory Dough is so simple to make! It can be made with just 2 ingredients. It's great fun and there are lots of ways to play with it!

Mix together 4 parts flour and 1 part vegetable oil. Then mix in food colouring of your choice.

Add in some flavouring to add a nice scent to your dough!

There are lots of ways to play with this dough, it's great fun with biscuit cutters and mashers! Your child can even paint it or add glitter as long as they won't be tempted to taste! The paint will just mix in to make it even more colourful!

To store it just pop it in an airtight container!
