

Paper plate witch

It's nearly Halloween! Here's how to create this spooky witch decoration out of a paper plate! You will need card, paint, 1 x pipe cleaner, scissors and a paper plate.

1. Cut the paper plate into your chosen face shape.
2. Paint the plate green and leave to dry.
3. Paint on the facial features and glue two short yellow pipe cleaners onto the mouth for teeth.
4. Draw around your hand to create the hair (x2)
5. Paint the hair in your preferred colour and cut and stick on top of the head.
6. Cut out a cardboard hat and paint in your chosen colours.
7. Stick the hat on the hair and your witch is complete!
