

Toilet roll bonfire

This bonfire craft is so simple to make! All you need is 3 x empty toilet rolls, red, orange and brown tissue paper, scissors and glue. A great little decoration for bonfire night.

- 1.) Wrap the 3 toilet rolls in brown tissue paper (or paint).
- 2.) Stick them together with glue in the shape of logs in a fire.
- 3.) Scrunch up the orange and red tissue paper to make the flames.
- 4.) And finally, stick the tissue paper flames onto the toilet rolls.
